

Working together to monitor secure access to land

Workshop on the development of the Land Reporting Initiative

Location: Italian Room, IFAD -1
Via Paolo di Dono, 44
00142 Rome, Italy

Date: Monday to Tuesday, 8th and 9th December 2008.

Programme:

Please note that the workshop proper will run from the morning of Monday the 8th, until lunchtime on the 9th. This is to allow civil society members of ILC's Coalition Council to hold a meeting in the afternoon of the 9th, prior to the Council meeting on the following days. On the afternoon of the 9th, the other workshop participants will have the opportunity to attend a follow-up meeting. This will hopefully be an opportunity for a smaller group to focus in detail on some of the technical and implementation issues that have arisen through the workshop.

Please note also, The exact details of this programme are still provisional.
